Dear Sir:

This is in response to an Office Action herein, mailed 2 April 2004, time for response to which was set to expire 2 July 2004. A one-month extension of time is enclosed. Applicants greatly appreciate the withdrawal of rejections previously made over the art. The sole outstanding basis for rejection is under 35 U.S.C. § 112, first paragraph, for asserted lack of written description and for asserted new matter. Careful consideration has been given to the grounds for rejection as presented, and the following amendment and discussion are offered in response. Reconsideration is respectfully requested.
